HOME COMING GAME  
CORYDON vs. U. HIGH  
OCTOBER 23, 1964

Vol. 21 Corydon Central High School, Corydon, Ind., Oct. 23, 1964 No. 2

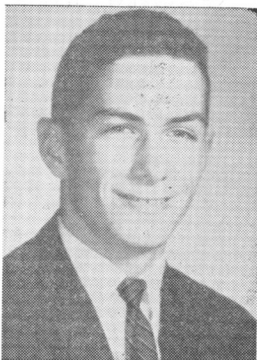

Cheerleaders, left to right: Judy Cato, Judy Fisher, Deloris Mitchell, Nancy Kirkham, Connie Rainbolt. (Photo by Brooks Rainbolt)

## Robert Watson Wins Commendation

Robert Watson, a member of the senior class, has been awarded a Letter of Commendation honoring him for his high performance on the National Merit Scholarship Qualifying Test given last spring.

The commended students were among the high school juniors in approximately 17,000 schools who took the NMSQT last March. The test is a three-hour examination that covers five separate areas of educational development.

John M. Stalmaker, president of the National Merit Scholarship Corporation said of the Letter of Commendation winners: "Although they did not reach the status of Semifinalists in the current Merit Program, they are very capable students. The Semifinalists and Commended students together constitute about 2 per cent of all high school seniors. This certainly signifies noteworthy accomplishments by all these bright young people."

## Magazine Subscriptions Solicited By Band

The Corydon Band members have been taking subscriptions to magazines for the last two weeks. Mr. Taylor, representative of the Curtis Circulation Company talked with the band students on Friday, Oct. 10 and noted the average family spends \$15.00 a year on magazines. By subscribing through a band member, the profit stays in this school area. He pointed out that magazines make pleasant gifts for friends.

## Assembly Programs World Traveler To Speak On Java

Mr. Joseph Ellis, a traveler and adventurer, will present a humorous and factual program about his experiences in Java on Nov. 18. He will bring with him a fascinating exhibit consisting of native musical instruments, headhunters' weapons, mounted wild life, temple costumes, jungle trophies, and native sarongs.

After coming to America, Mr. Ellis attended Duke University, Lawrence College, and Northwestern University. Besides English, he also speaks Malayan, Dutch, and Javanese. During the war he served with the Army Air Forces in the Pacific.

Now, with many audiences eager to hear his story, he is devoting his time to lecturing and showing his interesting and curious exhibit.

## JENNY KIRKHAM TO HEAD CLASS OF '65

The election of class officers was held Monday, September 28, in accordance with the requirements of the North Central Association of Secondary Schools.

The presidential race in the senior class resulted with Jenny Kirkham victor over Bob Benton. Terry Walts defeated Russell Bentley for the vice-presidential office. Robert Watson was acclaimed secretary - treasurer as his ability went unchallenged.

The juniors elected Bill Fisher as president of their class for the third time. Karen Gresham will represent the juniors as vice-president after getting more votes than her opponents, Diana Miller and Martha Yates. The secretary-treasurer will be Diane Gibson, who defeated Sharon Wallot.

The sophomores were the most active in the '64 - '65 elections. Carol Miller was victorious as president over classmates John Jackson, and Dennis Stepro. Mark Wiseman defeated John Mathews, Diana Albin, Steve Higginbotham, and James Hays to become vice-president. Kris Kline was elected sec'y. - treas. by acclamation. Alan Hess was elected president by the freshmen by defeating John Kirkham. Ardis Reising lost to Tom Alton for vice-president, and Jill Moss was elected secretary-treasurer for freshman class.

## Journal Students Will Attend H. S. Press Ass'n

While the students relax and teachers attend sessions of the Indiana State Teachers Association October 23 - 24, five senior journalism students and their sponsor will attend the fall meeting of the Greater Louisville High School Press Association.

This conference is sponsored by the Courier Journal and Louisville Times in conjunction with the Greater Louisville High School Press Association.

The main purposes of the program are to stimulate interest in journalism; to provide a meeting place for the discussion of common problems; and to improve the standards of high school publications.

Dr. Joseph Murphy, director of the Columbia Press Association will be the guest speaker at the conference. He will conduct a forum on Friday afternoon in the auditorium of Presentation Academy at 4 P.M. At a dinner meeting at Catherine Spalding College he will be the chairman of a Round Table Discussion: The Value of High School and College Newspapers.

Saturday (October 24) both during the morning and afternoon sessions Dr. Murphy will speak to all advisors on their problems and plans.

A dinner at 5:30, Bigelow Hall, University of Louisville will be held for everyone attending the Association.

## FBLA To Sponsor Monster Mash

The Future Business Leaders will sponsor a Halloween Dance in the school gym on October 31 from 9 P.M. until 11 P.M. Tickets will be 35c stag or 50c for a couple. Everyone in the school is invited to attend.

The club members are also selling Christmas napkins and gummed labels. The labels with your name, address and code number are in packages of a thousand and cost one dollar. The napkins are in packages of thirty-two and sell for fifty cents. All money earned will be used toward expenses of going to the State Convention in the spring.

## Raisin In The Sun Is Drama Club Presentation

The Dramatics Club, which last year replaced the junior and senior class plays, will present Raisin In

The Sun, a three act play written by Lorraine Hansberry, on Nov. 7. Mrs. Elam is directing the play.

Although Raisin In The Sun has Negro characters (with one exception), in reality it is about all humans who know the frustration of being caught in an intolerable situation from which there is no apparent escape. Ambitions for education, a better job, a decent home are legitimate goals in our society. When these hopes are denied, men and women of any color become saddened or hopeless or angry or bitter, as they do in Raisin In The Sun. Their lives, however, are brightened by belief in what is right and by their love for each other. There is forever hope and sometimes humor. In short, Raisin In The Sun is life as it is for all of us. It is in no sense racial propaganda.

The cast hopes to emphasize the play's universality by minimizing the fact that they are negroes. Their make-up and their speech will only suggest the fact.

### Play Cast

The play revolves around Walter, Lee Younger, played by John Butt, and his mother, Lena Younger, played by Mary Wilson. Other members of the Younger family are Ruth, Walter Lee's wife, played by Jenny Kirkham; Travis, Ruth and Walter's son, played by Kay Mitchell; and Beneatha Younger, Walter's sister, played by Teresa Norman. Other characters are Joseph Asagai, Joe Cato; George Murchison, Pat Kirkham; Bobo, Tim Kirkham; Karl Linder, Richard Blank; and the two moving men, Mike Shireman and Randy Leuty.

## Saulman Gets N.E.A. Life Membership

Mr. Saulman, principal, has just received his life membership button in the National Educational Association.

This little button, which may be seen on the lapel of his coat, has on it a school house and in the background the National Capitol with also Life Member, N.E.A.

Fifteen of the 27 members of the high school faculty have joined the National Association but none of this number is letting his dues apply on a Life Membership. May be in a teacher's zeal to educate the youth of his county he has failed to take time to see how our annual dues could long ago have paid for a Life Membership in our own top professional organization.

## Nat'l Ed Week To Be Marked By Guest Night

National Education Week November 9 - 14 will be observed at Corydon Central High School on Tuesday evening November 10, 7:30 to 9:30 p.m.

During those hours, parents and friends will be invited to the High School to visit classes and meet the teachers. Each class period will be approximately ten minutes in length.

Teachers will be glad to discuss any phase of their work with the parents or answer any questions of the visitors.

Guests will be invited to go to the gymnasium during the activity period just as students do. At that time presidents of the outstanding clubs in the school will explain their club's purpose and what the student should hope to gain by becoming a member of any of the various clubs.

Mr. Earl O. Saulman, principal, will be in charge of this part of the evening.

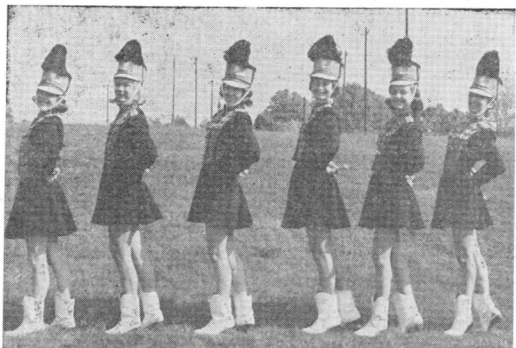

## Extra Curricular Program Discussed

Extra curricular activities will be the subject of an assembly program for the student body October 29. At that time students will be briefed on all activities and it is hoped more students will become interested in the various clubs. At the present time a great per cent of the student body are not interested in any outside activities.

## Candidates For Queen Announced

Who will it be! Eileen Stilger, senior, Pat Lawson, junior, Anita Fisher, sophomore, Pam Fisher, freshman, one of these girls will be crowned queen at the Homecoming Football game on Friday evening during the half. The other three will be members of her court.

Each home room first selected a candidate and then each class voted to determine the one to represent the class. The Booster Club had the final vote as to which girl would reign as queen. This will be announced at the Homecoming game Friday night.

(Photo by Brooks Rainbolt)

Majorettes — left to right: Sheila Timberlake, Alice Harrell, Sandy Yeager, Brenda Quebbeman, Janet Scott, Kay Mitchell.

## OPINIONS

LETTERS  
TO THE EDITOR

Dear Editor,

What is wrong when a group of high school students can not stand still long enough to pay respect to our country? I am speaking of the unnecessary talk and movement that goes on during the time that "The Star-Spangled Banner" is played. This has been especially noticeable at football games this year.

I am ashamed when I can barely hear the music for all of the talking that goes on. I do not mean that the students at Corydon Central are especially worse than the students at any other school, but I do not see why all students can not be quiet for this short time.

I know that I am not the only one who has noticed this disrespectful behavior, because adults have mentioned this to me. We have been taught in school from the very first grade to be attentive during our national anthem, so it is our own fault when we show our ignorance to others by not being respectful to our flag and what it stands for.

Nancy Kirkham

Dear Editor,

I think that it is a disgrace that Harrison County has had only seven fatalities in the time since January 1st, 1964. Surely a community of our size can do better than that in the coming year of 1965.

There are over a hundred drivers in this county that are very skilled in the art of laying great, long black tire marks on the highway. Multiply these drivers by at least five admiring passengers in the car and compare the ratio: five hundred probable deaths to seven definite ones. That is a pretty small record.

I believe that Harrison County ought to sell all of the stop signs and stop lights and set the money up in the form of a fund to help promote reckless driving. This is just one plan among many that could be put into action for the furthering of the More Deaths In Harrison County Project.

Let us all get behind the wheels of our cars and average at least ninety-five miles an hour and see if we can make our death record the highest in the state.

Margaret Meyer

Cadet Teachers  
Help Little Tots

Nancy Kirkham, Janice Mauck, and Mary Lou Lowe, all seniors, are doing cadet teaching at the kindergarten which is sponsored by the Tri Kappa and Phi Beta Sororities and taught by Mrs. Henry Roberts.

The girls attend the kindergarten for one hour each day, Monday through Thursday and assist the teacher and children with their various activities.

"Romani Laeti Duodecium" was the name given to the first year Latin Club at their first meeting this year.

An election was held with the following people being elected as club officers: consul, Rebecca Brown; co-consul, James Pfeiffer; scriptioner, Mary Lou Miles; program chairman, Wayne Hannel.

After a short business meeting, the members played Latina and answered questions in Latin.

November 11

ARMISTICE DAY

NO SCHOOL

## Stop - Investigate

O where, O where has my little lens gone? O where, O where could it be? With its surface curved, slightly tinted blue; O where, O where could it be?

The students in CCHS have lost lots of things but lenses losing is the newest trend. Although the lenses can be insured and replaced there is always the inconvenience of waiting for the new ones to arrive.

Students, beware of stepping on contact lenses. If you see something wink at you from the floor, Stop and Investigate.

Australian Talks  
Of Homeland

Barry Littleton, a twenty-six year old farmer from "down under", addressed the CCHS student body on October 7.

Speaking with an Australian accent, Mr. Littleton was particularly impressive as he related information about Australia to the students of CCHS. The major fields discussed by Mr. Littleton were education, farming, and social life in Australia. Corydon students were surprised to find that in Australia students have finished college by the time they're 18 years old. Another unusual fact was that no social events are sponsored by the schools; instead various clubs like our 4-H clubs are responsible for this.

Mr. Littleton spent a week in the home of Mr. and Mrs. Earl Blank. He is now back in Australia shooting kangaroos, after having spent one week at the World's Fair in New York.

Cost Of Education  
Is Big Question

From statistics compiled by Superintendent E. F. Schneider we learn that the average cost of educating each pupil in the Central School Corporation during the 1963 - 64 school year was \$389.82. The national average was \$414.40 or \$24.58 above the corporation's per child cost.

The average cost per child during the 1964 - 65 year will probably reach \$400. Our figures therefore compare very favorably with the national average.

However, we are \$58.18 below Jeffersonville's per student cost and \$66.18 below New Albany, according to figures that appeared in the September 27, 1964 Courier-Journal. Louisville, which has an average of only \$298 per student, will vote in the coming election to raise their tax rate for schools.

Parents, students, and patrons of the school must realize how important it is to keep up the standards of our school. If our children are to go out in the world to compete with the average or above high school graduates, we must educate our children.

## SYMPATHY

Expressions of sincere sympathy from the faculty and students of C.C.H.S. are extended to the family of Captain Jerry Hughes who was killed in a helicopter crash near Blakely, Georgia, October 1. A thrice decorated Viet Nam veteran, Jerry was a 1955 graduate.

Season Tickets  
Still Available

Season basketball tickets, which went on sale October 14, are still available in the principal's office. Prices are \$3.60 for students and \$6.50 for adults.

Because of a new rule which states that the teams should be placed on either side of the scorers bench, the band will be placed on the stage. Therefore, many season ticket holders will not be able to

## HONOR ROLL

## 1st Grading Period

## SENIORS — Academic

Jerry Adams, Linda Becker, Russell Bentley, Robert Benton, Joe Cato, John Butt, Crissy Davis, Nancy Ernstberger, Cynthia Forsythe, Carol Gehlbach, Mary Hall, Jenny Kirkham, Nancy Kirkham, Reaugh Kopp, William Lang, Wanda Mason, Phyllis McMonigle, Margaret Meyer, Pat Moss, Larry Pendleton, Ann Pinaire, Terry Walts, Robert Watson, Mary Wilsons.

## General

Helen Kintner, Rueann Neafus, James Smith, Darlene Snyder, Dale Sonner, Janice Wright.

## JUNIORS — Academic

Cindy Backherms, Virginia Crozier, Robert Ficht, Diana Gibson, Betty Hoback, Linda Kirkham, Helen Leffler, Eldon Mason, Carla Miles, Deanna Miller, Joe Smith, Elizabeth Ward, Kathy Wilson, Martha Yates.

H. Kintner Will Attend  
National Safety Congress

One of the highest awards for distinguished work in farm and home safety has been won by Helen Kintner, president of the Corydon Elm Chapter of Future Homemakers of America. Helen has won a trip to the 52nd National Safety Congress, October 25 to October 28 in Chicago, Illinois.

In recognition of the past and with foresight to the future, the 1964 National Safety Congress will observe the theme "Working For Safety."

The more than 200 young enthusiasts dedicated to conserving human resources through active safety projects will headquarter at the Morrison Hotel in the heart of Chicago's Loop. Organizations which these youth represent will include: Future Farmers of America, 4-H, Farm Bureau Young People, Grange, Farmers Union, FHA, DECA, Achievement Clubs, Boy Scouts of America and many others from rural and urban America.

Many inspirational and educational program features have been arranged for the three-day event by the National Young Peoples Safety Program Committee.

purchase their same seat, but they are being offered seats in sections H, I, and J instead. First home game will be played against Scottsburg, November 13.

## What Is Journalism?

By Pat Moss

What is journalism? What is there to such a class that would be beneficial to a high school junior or senior? And besides, who wants to become a newspaperman? Many of us, if asked questions such as these, but pertaining to a different course, such as mathematics, would have no trouble in giving answers. But what is this "journalism" that makes possible a school paper?

Journalism is defined as the business of managing, editing, or writing for journals or newspapers. Localizing the meaning of the word, journalism is a class at CCHS whose members observe, interpret, and put in written form the news and interesting incidents that appear in the school. These student writers are also responsible for articles that appear in the county papers that pertain to school activities.

The MacMillan Company lists seven objectives of student journalism that are applicable to the course in this school. They are as follows:

1. To prepare for work on a high-school newspaper.
2. To acquire habits of clear, concise written expression.
3. To acquire a critical attitude toward news and an ability to evaluate the worth of publications

through wide and intelligent reading of newspapers and periodicals.

4. To acquire poise, tact, and self-confidence in business and social relations.

5. To acquire skill in collecting, condensing, and organizing material from all sources of information.
6. To discover and develop interest in creative, functional composition.

7. To learn the history and ethics of the newspaper profession. From these it is easy to derive what gains may be obtained from journalism.

The greatest advantage that a student receives from journalism is the development of the art of communication through words. The use of words is the main form of communication today. Journalism students are always working with words, arranging words and re-arranging words, discovering new words and rediscovering old words, thinking and writing, writing and thinking, nothing but words, words, words. Journalism students learn to communicate better through increased word power.

Throughout our lives, we will be asked to express ourselves clearly and concisely. Training and experience in self-expression can be obtained through journalism. —Is journalism for you?

## Boost The "150 Club"

By Ann Pinaire

We students are being criticized because only 93 out of 600 of us bought "150 Club" buttons. But why should we buy and wear a little blue button that we do not even want? What good will a little button do? If we would have had enough interest in our town to ask

we would have found the answer: The "150 Club" buttons are being sold throughout Harrison County to prove to Indiana that we want Corydon to be the center of Indiana's Sesquicentennial Celebration. Many think Corydon is the most historical and logical site, but the people of Harrison County must be enthusiastic if Corydon is to be chosen as the center. Of course anything this big takes money and work. The pageant alone will cost \$750 to be written, and then we must have actors,

costumes, and scenery. If the pageant is in Corydon, a large stage will be built in front of the fairground grand stand. The people will come from all over the state and money will be spent in the County. Although much work will fall on the people of Harrison County we will receive great benefits. Throughout the summer of '66, thousands of people will come to Harrison County. Ask any business man what this means. The state and even national publicity of having Corydon as the center will be tremendous. Everyone in the state would hear about Corydon. Many students will join in the work. They might be actors, workmen, guides, etc. Corydon would prosper from the celebration.

Oh, yes, I am going to buy my little "150 Club" button now.

## Other Efforts Count Too

By Mary Wilson

Now that basketball practice has started, and the football and cross country seasons are in full swing, assemblies and pep rallies are being held and signs are being posted to solicit the support of students. There is nothing wrong with this. We want to bring honor and glory to our school and by supporting our teams we do help.

But being successful in athletics is not the only way to connect with the name of Corydon Central. There are many more people and organizations in CCHS which compete with other schools besides the athletic teams. Just a few of these are the band and

majorettes, the debate team, the Pantherette staff, and the honor students who compete each year in the regional and state contests. These people work long and hard. Like the athletic teams, they naturally will be given an extra incentive to do their best if they know their efforts are being appreciated.

It does not take a great deal of time or effort on anyone's part to wish a person luck in an upcoming contest or to tell someone you appreciate his efforts. This may seem like a small and insignificant thing to do, but if you do not think it would be appreciated, just try it sometime.

## Adult Education Offers Four Courses

For the sixth consecutive year Corydon Central High School is offering credit and non-credit adult education courses. English, U.S. history, English composition, and economics are being offered at the present time.

The English class, which is taught by Mrs. Gordon Pendleton, has fifteen adults enrolled. The class meets on Monday and Thursday nights, 7 - 10 P.M.

United States history is being taught by Mr. George Bickel, to thirty-two adults. This class also meets on Monday and Thursday nights.

English composition and economics, which are college courses, are taught one night a week by an instructor from the Indiana University Southeast Division.

Adult classes began in the fall of '59 and as a result of these classes, five adults received diplomas with the 1960 class. Adults who received diplomas in 1961 numbered ten. Only one adult received a diploma in 1962, while thirteen received diplomas in 1963. Last year nine adults received their diplomas through the adult education classes.

## Y-Teens, Sponsor Attend Workshop

Sandy Cunningham, Elizabeth Franz, Sarah Pindell and Mrs. Reimold attended the Y-Teen Leadership Workshop at Huntingburg, Saturday, October 3.

Y-Teens from Rockport also attended. Mrs. Ernestine McDougal, Y-Teen Consultant, spoke on the eight concerns from the Y-Teen conference held in Cleveland, Ohio. These concerns are poverty, racial discrimination, sex morality unemployment, mobility, population growth, and quality of education.

The Corydon Y-Teens joined with the members of more than 7,000 Y-Teen Clubs throughout the country in observing their annual Y-Teen Roll Call Week October 11 - 17. Our slogan is "You Count as a Y-Teen". Each one counts as an individual; each has much to give; and in the Y-Teens each has more to give and to get.

At the regular Y-Teen meeting Monday, October 19, a Y-Teen recognition ceremonial was conducted for new members.

## Language Laboratory To Be Used

Mr. Schneider and Mr. Saulman are now studying various machines available for use in the language laboratory. This equipment will be purchased in the near future and it is hoped it will be ready for use next semester. Approximately \$6,000 to \$8,000 will be spent on this equipment.

A language laboratory is a classroom containing electronic and mechanical equipment designed and arranged to make foreign language instruction more effective. The same equipment may also be used for research and experimentation in language learning.

The language laboratory in today's schools is no happenstance, for it is a natural and almost inevitable adaptation of scientific and technological developments uniquely fitted to the particular requirements of language learning and steadily growing enrollment in foreign language courses.

Our language laboratory which will be set up in room 212, will be used in the teaching of French and Spanish. It can also be used in Latin and in the shorthand classes.

The current revolution in language reaching recognized a national commitment to increase the number of American citizens who can speak and understand a foreign language.

Understanding and speaking a foreign language are now regarded first as essential primary objectives in themselves, then as a sound basis for systematically acquiring the important reading and writing skills to which the affairs of a literary society so heavily depend.

The learner must first acquire habits where he reacts instantaneously to what he hears and can readily say what he wishes to say.

The only known way to form habits is through practice. Learning to speak a foreign language is much like playing a musical instrument; it takes practice. A language laboratory which provides good teaching materials can be a great asset in the teaching of a foreign language.

Future Homemakers of America officers are left to right: Jo Anne Kintner, Mary Lou Kiger, Helen Kintner, Inez Bates, Carolyn Lang, Beverly Windell, Donna Fravel, Linda Kintner, Linda Singleton, Janet Reed, Diana Jacobs.

## Homemakers Attend Nashville Meeting

Nashville, Indiana, was host to 300 Future Homemakers of America, as they attended their fall district meeting. Those who represented the Corydon Elm Chapter were the following: Helen Kintner, Barbara Lang, Mary Lou Kiger, Linda Kintner, Donna Fravel, Carolyn Lang, Jo Anne Kintner, Janet Reed, Inez Bates, Linda Singleton, Diana Jacobs and Beverly Windell. The purpose of the meeting was to teach the officers the true meaning and responsibility of their job. The theme of the meeting was, "Leadership is Our Challenge". The members were privileged to have present the state president, Patty Bowman.

Schools of CCHS are very fortunate now to have the opportunity to study two modern foreign languages. This new laboratory equipment will be a great asset in mastering the conversational languages.

Schools all over the country are realizing the ability to speak a foreign language is not a luxury but a modern essential. The speaking of a foreign language will open up countless opportunities to the citizens of tomorrow.

## Help Friends During Bundle Days

SAVE THE CHILDREN FEDERATION has set the week of November 2 - 6 for its 23rd annual Bundle Days. This is the first time CCHS has participated in the Indiana drive. Students will be asked to gather clothing in special heavy bags that will be made available. In the Southern Appalachian Mountains hundreds of children are forced to drop out of school for want of whole shoes or warm clothing to wear. After the clothes you give are mended and cleaned, they enable boys and girls to make the long trip to school, protected against the hard cold winters. Even in the United States children of poverty live out in the hollows where varmit stew supplements the beans, meal, and lard collected from the government; where running water is a rarity, a pencil unknown. You can give these children warmth and protection.

## History Of Jazz Will Be Nov. 25

History of Jazz, a very unusual and interesting musical program, will be presented by five musicians from Louisville and New Albany on November 25, 2:30 p.m. This group will also appear before the Junior High assembly on the same afternoon.

## M. Meyer Elected G.A.A. President

The first meeting of the Girls Athletic Association on October 6, was attended by 7 seniors, 13 juniors, 14 sophomores and 10 freshmen. An election of officers was held with the following people being elected: president, Margaret Meyer, senior; vice-president, Judy Fisher, junior; secretary, Donna Fravel, junior; treasurer, Becky Shireman, freshman; and reporter Suzette Enlow, senior.

The girls started out the year by playing hockey but will soon go to other sports.

## Drama Club Has Large Enrollment

The Dramatics Club held its first meeting on September 30, with 60 members present and more students expected to join later. The purpose of the meeting was merely to get organized for the coming year, thus only temporary officers were elected. Three committees were selected to get things in motion. Mrs. Elam, the club's sponsor, announced that the first play, "A Raisin in the Sun" will be given on November 7th. Miss Harrison will serve as co-sponsor this year, Mrs. Elam announced.

## FFA Officers Attend Dist. Meet

Washington, Indiana, was the host to 300 Future Farmers of America on October 1. Those attending the fall district meeting were Danny Sutherland, Jim McGraw, Joe Smith, James Cunningham, Keith Sutherland, and Mr. Art Windell.

Lennie Stout, state president, announced the FFA Mexico Project in which old farm machinery is repaired and sent to our neighbors to the south. The local chapter is planning to take part in this project.

## Buy Candy Bars Help Finance Prom

The Junior class is selling fifty cent Kathryn Beich, chocolate-almond candy bars. The candy may be purchased in the library from Mrs. Gleitz. Profit from the sale of the candy will go toward the expenses of the Junior Prom to be held in the spring.

## Panthers Return With Victory

### Panther Growls

Dads' Night was celebrated at the Corydon - Mitchell football game. The fathers of the members of the Panthers football squad received special recognition.

Each dad was given a jersey to wear with a number corresponding to the number on his son's uniform. The fans were then able to see who has provided ballplayers for this season's team. Seats were provided for the dads along the sideline near midfield where most of the action occurs. This gave them a chance to be nearly in the game themselves, as is rumored that some wish.

### Madness Begins

Basketball practice began on October 2 with approximately thirty boys trying out for the team. The first two weeks consisted mainly of fundamentals and running. Although Corydon had only five lettermen back, Coach Cato said that he thought the Panthers would have a team that would improve with each game. He said much of the success of this year's team will depend on the desire and attitude shown by each individual boy.

The following boys have tried out for the team: Russell Bentley, Roger Jenkins, Larry Pendleton, Gary Preston, Dale Sonner, Joe Cato, Pat Kirkham, Bobby Cochran, Tom Butt, Donnie Conrad, Tim Kirkham, Bob Watson, Kerry Timberlake, Ireland Scott, Mark Wiseman, Danny Utz, Bill Hook, Alan Hess, Monty Schneider, Bill Kirkham, Mike Bennett, Bob Enlow, Jack Enlow, Sam Eckart, John Walter. Returning lettermen are Roger Jenkins, Russell Bentley, Larry Pendleton, Joe Cato, and Jim Mathews.

The sports editors of the Pantherette staff have made predictions for the 1964-65 basketball season. By using some statistics and mathematical procedures, and mostly logical guesswork, the results were posted as follows:

Opposing Team	Winner
Brownstown	Corydon
Scottsburg	Corydon
West Washington	Corydon
Orleans	Corydon
Oolitic	Corydon
North Central	Corydon
Charlestown	Corydon
Georgetown	Corydon
Scottsburg Tourney	Corydon
Providence	Providence
Silver Creek	Corydon
Clarksville	Corydon
Springs Valley	Corydon
Salem	Corydon
Paoli	Corydon
South Central	Corydon
Austin	Corydon
Mitchell	Corydon

A new rule passed by the Indiana High School Athletic Association will force coaches to remain on the bench this year. The rule says that a technical foul will be called on a coach if he gets more than three feet from the bench during the progress of a game. If the coach repeats the violation he will be ejected from the game. (Writers opinion: The major accomplishment of this rule will be that it will lower the grade of basketball played. Coaches will be forced to be less enthusiastic in order to remain on the bench. If the coach is not enthusiastic he will not be able to instill spark or enthusiasm in his players and as a result they will not play as well.

### Aerial Attack Defeats Panthers

The Clarksville Generals set a new school record in passing as they rolled over the locals, 31-12.

Early in the first quarter, quarterback Bill Croft passed eighteen yards to halfback John Rieber for the first touchdown of the game. An attempt at the extra-point was blocked, and the Generals led 6-0.

Corydon lost possession of the ball after only two plays. The Generals recovered a fumble on their own 40-yard line. Clarksville steadily drove the ball toward the goal line. After several plays, Don Morris took a pass from Croft and completed a thirty-six yard play for a touchdown. The kick for an extra point was no good, the score remaining 12-0, Clarksville.

Midway in the second quarter Clarksville scored again on a 64-yard pass play from Croft to Morris. Croft kicked the extra point to boost the score 19-0.

The Panthers up to this time had been unable to do anything offensively and little defensively. The kickoff was returned to the Panther 40-yard line. With the second quarter nearing an end, the Panthers sustained a 60-yard drive. From the 13-yard line, fullback Joe Miles carried the pigskin over the goal line for the Panthers' first score. The PAT attempt failed. At the half the score favored the Generals, 19-6.

The second half was more of the same. Clarksville returned to score late in the third quarter, as Morris ran four yards for his third and the Generals' fourth touchdown. Again the PAT attempt by the Generals was unsuccessful. The score stood 25-6.

However, the Panthers came left back, and drove the ball sixty-six yards to the Generals' 4-yard line. From there halfback Jim Mathews ran for a touchdown. The PAT attempt was unsuccessful.

Clarksville's passing game made the difference in the outcome. With only two minutes left in the game, Croft connected on another pass with Bob Franz, who then ran to the end zone. The game ended with the Panthers trailing, 31-12.

This was the fourth loss for the Panthers, but their ability showed up in the statistics.

Statistics	Corydon	C'ville.
First Downs	17	13
Yards Rushing	303	183
Yards Passing	0	197
Passes Completed	0-2	9-15
Passes Intercepted	0	1
Fumbles Lost	3	0
Penalties	115	90

### Melissa, Kathy, Brenda Will Lead Cubs' Boosters

Melissa Forsythe, Kathy Kline, and Brenda Winterkorn were elected Cub cheerleaders at the tryouts held in front of the booster club on October 6. Melissa and Brenda are freshmen and Kathy is a sophomore. Cindy Robson, also a freshman, was elected alternate.

Others who tried for a position were Jill Ann Moss, Susan Weber, Debbie Akers, Joyce Saulman, Virginia Bruce, Sharon Adams, Peggy Dismang, Audrey Wright, Linda Endris, and Kris Kline.

Note: The ABR (Association of Blind Referees) has given the rule a special endorsement since it will allow them to make several bad calls a quarter without hearing any complaints.)

### CROSS COUNTRY

With a solid running attack, Brownstown Central won the Mid-Southern Conference cross country meet at Jeffersonville Elks Country Club on October 13. Usually the meet is held at Salem, but this year it was moved to the Jeffersonville course. Although Jeff Rogers took first place for Scottsburg, Brownstown pulled out the team victory for their second title in as many years. The participating teams finished as follows: Brownstown Central 40, Scottsburg 57, Mitchell 98, Austin 139, Salem 140, Silver Creek 145, Corydon 182, Charlestown 184, Clarksville 196, and Paoli 253.

Our own Panthers moved up from ninth place last year to a seventh place finish this year. The runners that scored for Corydon were: Alan Hess, sixteenth, Monty Schneider, nineteenth, Bob Watson, forty-eighth, David Chinn, forty-ninth, and Larry Pendleton, fiftieth.

### HESS SETS RECORD

Alan Hess set a new school record of 10 minutes and 6 seconds, in leading Corydon to their third cross country victory of the season, on Monday, Sept. 28. The Panthers downed Georgetown by a score of 30 to 25. Again, right behind Hess was teammate Monty Schneider who was only three seconds behind Hess' record time.

### X-Men Place Fifth In Paoli Invitational

Corydon's harriers traveled to Paoli on September 1st for a 12 team Invitational meet. They finished a mediocre 5th in team standings, but had two outstanding individuals in Alan Hess and Monty Schneider as they finished fourth and sixth respectively. Bob Watson, Larry Pendleton, and Gary Preston rounded out the top five for Corydon as they finished 23rd, 41st, and 54th respectively. Corydon's record is now nine wins against five defeats.

### CORYDON DROPS TWO

Corydon dropped another Cross country meet Thursday, October 8, to the Spring Valley Blackhawks. The Blackhawks took the first two places to win the meet 33 - 24. The Panthers were taken by surprise when the Blackhawks arrived a day before the meet was scheduled. Despite some injuries to some of their runners, the Corydon harriers made a good showing. Alan Hess finished first for Corydon and third in the meet, while his teammate Monty Schneider finished right behind him to take fourth place. The remaining Panther runners that scored are, Bob Watson, sixth, David Chinn, ninth, and Bob Cochran, eleventh.

Corydon's X-men came in third in a triangular meet held at Georgetown Oct. 6. Georgetown, who had a week before lost to our runners, finished first with 36 points, followed by New Albany's J.V. team with 39 and Corydon with 45. Although Corydon lost the meet, Alan Hess finished first in a record breaking time of 10 minutes and 57 seconds. Finishing the top five runners for Corydon were as follows: Monty Schneider, third, Bob Watson, twelfth, Larry Pendleton, fourteenth and David Chinn, fifteenth.

### Bluejackets Sting Panthers 33 - 13

The Mitchell Bluejackets rolled over the Panthers Friday, October 2, by a score of 33-13.

The first half was all Mitchell as the Bluejackets outscored the Panthers, 20-0. Early in the first quarter, fullback Rick Dorsett ran six yards for the first touchdown of the game. Then in the second quarter, Dana Dunbar, quarterback, and Cris Bucak shared in completing a 30-yard touchdown play. The second quarter was nearing an end when Terry Tankley hit Bill Nolting with a pass. Nolting sprinted into the end zone for a touchdown, completing a 41-yard pass-play. Of the three point - after - touchdown attempts, the Bluejackets were successful in getting two. At the half, the score was 20-0, Mitchell.

The second half proved to be different for the Panthers, as they played the Bluejackets even. Early in the third quarter, Dorsett ran 31 yards for a touchdown and completed the PAT attempt.

The Panthers began their attack on a 37-yard gallop by fullback Joe Miles. After a 63-yard drive by the Panthers, Miles carried the ball 18 yards into the end zone. The Panthers held Mitchell in the next series of plays and took possession of the ball on their own 45-yard line. After advancing the ball to the 20-yard line, the Panthers let Miles run again, this time to the 4-yard line. On the next play, he crossed the goal line for a touchdown. Sonner aided the cause by powering his way across the line for an extra point. The score was 27-13.

Dorsett and Nolting put Mitchell again in scoring position with runs of 25 and 19 yards, respectively. Kent Garceau finished the advance by running 2 yards for the touchdown. The game ended shortly after, 33-13, Mitchell.

Joe Miles and Dale Sonner were outstanding in offensive play. Miles carried the ball 22 times for 142 yards and Sonner ran 13 times for 41 yards. The Panther running game was more successful than Mitchell's, but again the aerial attack made the difference.

### Gridders Present Assembly Program

Coach Joe Miles and his Panther football team ran through a light practice in front of the student body on October 9. Due to extremely cool weather the practice was held in the gym, thus limiting the program to some extent. The purpose of the program was to arouse more interest and support for the Panther gridders. The team ran through calisthenics and fundamentals, before showing some of their offensive plays.

In a speech before the practice, Mr. Miles told the student body that spirit and morale in Corydon Central are lacking. He said part of the lack of interest in football was due to it being a new sport at Corydon, but added that many students lack of interest is a result of a lack of pride in their community, their school, and pride in themselves. He urged those students who have never attended a game to see at least one, so that they could see for themselves what the game is like.

### PANTHERS RAM PAOLI, 25 - 13

Happiness is victory. To the Panthers and their fans, victory is strange, but as of Friday, October 16, not unobtainable. On that Friday night the Panther football team put Corydon in the winning column by defeating the Paoli Rams, 25-13. This was the Panthers' first varsity victory.

Captain Joe Miles called the flip correctly and chose to receive the ball. From then on it was Corydon all the way. The Panthers moved the ball to mid-field, but not able to get any farther, they were forced to punt to the Rams. The Rams failed to penetrate the Panther defense, and punted on a down situation. The punt was blocked and the Panthers gained possession of the ball on Paoli's 15-yard line. The quarter then ended. After two plays in the second quarter, Joe Miles carried the ball 10 yards to the 4-yard line. On the next play halfback Dale Sonner raced around right end for the touchdown. A kick by Tom Butt was blocked to foil the point - after - touchdown attempt. The Panthers led for the first time this season, 6-0.

Joe Miles' kick-off soared 60 yards into the end zone. The ball was automatically placed on Corydon's 20-yard line with the Rams in possession. But the Panthers were still going strong. They held the Rams for the next four plays. In an attempt to punt, Paoli fumbled and Sam Green recovered the ball for Corydon on Paoli's 1-yard line. Quarterback Mike Miles charged over the goal line for the touchdown. A run by Sonner for an extra point was stopped short. The score was 12-0, Corydon.

Miles again booted a beauty for 54 yards. A few plays later he intercepted a pass on Corydon's 40-yard line and sprinted 25 yards before he was felled. However, a 15-yard penalty shortened the distance gained. The Panthers, getting a little too confident, slackened and failed to gain ground. The Rams took possession of the ball. The Panther defense let up and allowed Bryan Lomax to score the touchdown for Paoli.

With victory in sight, but defeat threatening, the Panthers began the second half by holding the Rams. The Panthers took possession of the ball on their own 22-yard line. Four plays later the ball lay on the 30-yard line. Dale Sonner then burst through the defensive line, shook off would-be tacklers, and left his pursuers behind as he sprinted 70 yards for a touchdown.

Corydon kicked back to the Rams. Again the Panthers held them and the Rams were forced to punt. Joe Miles took the kick and ran back to the 40-yard line. However, a penalty resulted with Paoli retaining possession of the ball on about the 50-yard line. They then drove down field to the twenty. A pass to end Harold Thompson was good for 20 yards and Paoli's second touchdown.

In the fourth quarter, Jim Mathews recovered a fumble on the Panthers' 30-yard line. Sonner took the ball over left tackle for a gain of nine. One yard was needed for a first down. Joe Miles went through the middle and broke loose for 61 yards and another Panther touchdown. Sonner charged over the line for an extra point, boosting the score to 25-13. The game ended with the Panthers on top, 25-13, for their first varsity victory.
