

"Heaven Can Wait" Will Be Presented By Drama Club

"Heaven Can Wait", a three-act comedy, will be presented by the Dramatics Club Friday night, November 5.

Joe Pendleton, a prize fighter, is the victim of a mix-up in Heaven. In charge of gathering souls, Messenger 7013 is a bit hasty and snatches Joe's soul before he is scheduled to die. Mr. Jordan, who is in charge of transporting souls to Heaven, decides to send Joe back to earth. He cannot be put back into his original body, because his manager, Max Levine, has had it cremated.

Joe enters the body of Mr. Farnsworth, a banker, who has just been murdered by his wife and her lover, Tony Abbott. Joe consents to be Farnsworth because he is in love with Farnsworth's secretary, Bette. Joe knows nothing about finances. He decides to train for a fight. He is helped by Max. He disappears the night of the fight, and returns in a more appropriate body. In this body, he finds his true identity.

Joe Pendleton is played by Mike Shireman, and Max Levine is played by Max Rusk. Other main characters are Mr. Jordan, played by Randy Leuty; Messenger 7013, Delbert Hayden; Julia Farnsworth Teresa Norman; Tony Abbott, Tim Kirkham; and Bette, Barbara Pinaire. The play is directed by Mrs. Elam.

Lady Bird

Kay Mitchell Is Sky Diver

Look! Up in the sky! Is it a bird? Is it a plane? No, it is Mattie Kay Mitchell, skydiver! Kay, a senior who has been a majorette for four years, is Harrison County's first skydiver. She loves this sport and plans to continue it through college.

Kay was required to have five weeks of ground training before she could make her first jump. Kay had two fine instructors, Mr. Gene Younger and Mr. Robert Eves, from the Kentucky Parachute Association of which she is a member. This is most important, as Kay pointed out, because "there are so many little things that can cause trouble. The club is safety conscious and tries to make sure everything is perfect before the jumper gets into the plane."

Kay's first five jumps were made on a static line. This is a line attached to the plane that will open the chute for you. The first jumps are made at a height of 2800 feet.

Once the chute is open, the sky diver has the problem to steer it in the right direction in order to hit the target and not a tree, pond, or a powerline!

"Skydiving is a sport and for me this sport opens a world of adventure, reerom and unrus," says Kay. "With nothing above you but the sky and nothing around you but the sky, you're attached to nothing! You're free!"

If you ever see a parachute coming out of the sky, don't worry, it's no invasion from outer space. It's just Kay coming to visit.

Magazine Sales Swell Band Fund

Selling magazine subscriptions is a project of the band this year. Their goal is \$1,000, and if made the band will receive between \$300 and \$400. If this goal is reached, 50 per cent of the profit will go for new uniforms.

A pre-band show was put on for the first time at the Paoli game. The guest band marched at the halftime.

Band members will go to Indiana University for High School Band Day, October 23. The CCHS band will be on the field with 6,000 other high school band members, playing selected songs. They will stay to see Indiana play Washington State.

The Halloween Parade will bring the band out to head the ghosts, and goblins and floats down Chestnut Street.

Sweet Tooths Wanted

Members of the Junior Class are selling candy bars to finance their prom.

Kathryn Beich's chocolate almond bars have arrived and are selling "like hot cakes."

Ninety - six boxes, twenty-four bars to a box, and most of the candy has either been sold or is in the hands of the junior class members.

A shipment of Katydid's has been ordered for delivery in the near future. A popular type candy, these cans will sell for \$1.50 each.

Seated left to right: Class Officers, Cheryl Haun, Carol Miller, Diana Gibson, Linda Kirkham, and Anita Fisher.

Standing left to right: Brenda Winterkorn, Brenda Gillespie, Missy Forsythe, Anita Watson, Diane Mauck, and Donnie Lynch.

Class Officers Elected For Year

Bill Fisher has been elected president of the class of '66 for the fourth consecutive year. Bill is the first person in the history of the school to have won this honor. Other students have held an office all four years of their high school career, but no one previously has held the office of president for all four years. Bill defeated Tim Kirkham and Deanna Miller.

The vice-presidency was tied between Linda Kirkham and Karen Gresham on the first ballot but then the tie was voted off and Linda was the winner. John Walter was also a candidate for this office. Virginia Croser and Mike Shireman were defeated by Diana Gibson for secretary-treasurer.

Anita Fisher was chosen to head the junior class by defeating Judy Cato and Karen McCoy.

Carol Miller and Cheryl Haun will support Anita this year as vice president and secretary-treasurer respectively. Carol defeated Mary Brockman while Cheryl was victorious over Jane Swisher.

Melissa Forsythe will head the sophomores. She defeated Betty Martin and Barbara Polin.

Brenda Winterkorn was victorious over Jack Enlow for the office of the vice president. Barbara Lang, Jill Moss and Ellen Olson were defeated by Brenda Gillespie for secretary-treasurer.

After taking a second vote for president for the freshman class because a name was omitted, Donnie Lynch defeated Steve Hurst, Deena Kinkade, Barbara Pinaire and Diane Reimold.

Anita Watson was victorious over Marcia Fey, Larry Gleitz, Robert Hannel, Richard Heath, and Vicki Kirkham for the vice-presidency. Secretary-treasurer, Sharon Mauck defeated Lynn Anderson and Glenda Heath.

Talent Contest To Be Held At Hi-Fi Dance

A Music Talent Contest will be featured at the Hi-Fi Dance, November 27, sponsored by the band parents.

The contest will be limited to four solos or groups and will be recorded the night of the dance. Entry blanks are in the office. The deadline for entry is November 5. If more than four solos or groups enter, a preliminary contest will be held.

The Grand Prize is a \$1,000 scholarship.

Indiana Sesquicentennial Topic Of Speech Contest

The Speech II class is participating in the Indiana Sesquicentennial High School Public Speaking Contest. This contest is to be used to stimulate interest in Indiana's history and heritage. The contest is put on by the IU Department of Speech and Theatre, and any Indiana high school sophomore, junior, or senior is eligible.

The speech itself will be an 8-10 minute informative speech on the topics listed below. The speech is to be memorized and given without notes in front of the local high school contest audience. The student is to prepare all the material for his speech, but the speech teacher is allowed to give necessary guidance in matters of organization, language, and delivery.

The first place winner in the final contest will receive \$500 and

a large silver Sesquicentennial medallion. The second place winner will receive \$200 and the third place winner will receive \$100; both will be given small Sesquicentennial medallions. All other finalists will receive bronze medallions.

The speeches will be taped and the winning speech from the different schools participating in the contest will be sent to Indiana University. The tapes will be evaluated by the IU Department of Speech and Theatre and 6-10 tapes will be chosen as Indiana State finalists. At the individual school's expense these finalist will appear at IU campus Saturday afternoon, April 23, to be judged by the Speech and Theatre faculty members. First, second, and third place winners will be chosen and presented with awards.

General Topics

General topics of the Indiana Sesquicentennial High school speaking contest are as follows:

1. The role of Indiana and Hoosiers in the Civil War.
2. The role of Indiana and Hoosiers in W. W. I.
3. The role of Indiana and Hoosiers in W. W. II.
4. Noted Hoosier national political figures.
5. Noted Hoosier governors.
6. Noted Hoosier orators.
7. Noted Hoosier religious figures.
8. Noted Hoosier educators.
9. Indiana's contributions to national economic progress.
10. Indiana's role as an early frontier territory and state.
11. The Hoosier heritage of Indian tribes.
12. Hoosier contributions to American political philosophy.

Art Funk Speaks On Indiana History

Mr. Art Funk, a 1947 graduate of CCHS, spoke to the Speech II class on Indiana history. Mr. Funk a former social studies teacher, is a student and authority on Indiana and is a partner of C. B. Hays Sr. and Frank O'Bannon. Mr. Funk was very helpful in giving information on the 12 Sesquicentennial speech contest topics. He told where one could find information on the topics.

Electric Kiln Purchased For Art Department

A fine-arts electric kiln for firing ceramic pieces and clay sculpture is now in use by the art department, Mr. Sam Lander has announced.

This is the first kiln to meet the needs of the High School Art classes. A smaller one that has been used will be moved to the Junior High.

This extra large front-loading table model kiln bears the UL label of Underwriters' Laboratories as a complete firing unit. It has a strong steel exterior and is well insulated; it can be heated to 2000 F.

Mr. Saulman is welding a metal base on which to anchor the kiln. The weight is 580 pounds and was purchased from the Kiger School Supplier Company at a cost of \$500.

"Belle Of Louisville" Chosen For Prom

The "Belle of Louisville" has been chosen as the scene for the 1966 Junior Prom. Date is May 19. The juniors chose the boat after also considering the gym as a site for the Prom.

Kathy Wilson Is Drama Club Pres.

The Dramatics Club has elected new officers. The president is Kathy Wilson, who defeated Deanna Miller. Randy Leuty declined a nomination to run for president. Mike Shireman is the vice president. He was elected over Tim Kirkham. Cindy Steenbergen defeated Melissa Forsythe for the office of secretary. Alice Harrell is the treasurer, and Nancy Keller is the reporter. Jim Mathes is sergeant at arms.

Musicians to Take Drake Test, Nov. 9

The Drake Musical Aptitude Test will be given to interested high school students by Mr. Trueblood on Monday night, November 9, at 7 p.m. This test is given for those students who are considering music as a career.

The test is recorded and will take about 80 minutes. Interested students should sign up with Mr. Trueblood before November 5, Friday.

Two Million Heroes Will Be Presented By Future Teachers

National Education Week will be highlighted by the play "Two Million Heroes" which will be presented by the Future Teachers. The purpose of the play is to show what goes on in the daily life of a teacher.

The characters are Ginger Stanton, a young teacher, played by Deanna Miller; Ginger's younger sister Donna, played by Linda Kirkham; Martha Yates plays another teacher, and the students are portrayed by Sheila Timberlake, Suzanne Windell, Bob Fight, John Powell, Karen McCoy and Becky Shireman.

GUIDANCE DEPT. HAS NEW TOOL — COLLEGE ENTRANCE VIEW DECK

The College View-Deck is a common sense approach to the complicated process of college selection. It is used in the following manner:

The student is presented with a list of those college characteristics usually considered significant in choosing a college. These characteristics, and the number of possible student choices, are:

- Type of School or Program (4 choices) or
- Major Sequence (136 choices) of interest to the student.
- Size of the college (4 choices).
- Type of Student Body (3 choices)
- Accreditation (2 choices).
- Type of Institutional Control (5 choices).
- Geographical Location (9 choices).
- Cost (3 choices).

The students using the COLLEGE VIEW-DECK are asked to consider the various college characteristics carefully. After they have selected the characteristics they desire in the college they will attend, the selected characteristics are recorded in order of importance.

Each characteristic chosen by the student has a corresponding Criteria card that contains all colleges possessing that characteristic. Colleges are identified on the criteria card by means of specially punched holes.

The student selects the appropriate criteria card for each college characteristic important to him. The criteria cards are then placed, in order of importance upon a specially designed viewer.

As the criteria cards are placed upon the viewer in order of importance, colleges not possessing the characteristics chosen by the student disappear from view. Only those colleges having the characteristics desired by the student remain visible.

The COLLEGE VIEW-DECK is not a crutch, a pole vault, nor a magic formula that will lead all students to the automatic selection of the "right" college. Obviously, no mechanical system is capable of performing this impossible task.

The COLLEGE VIEW-DECK is, however, a highly organized information retrieval system designed to provide accurate information on colleges in any desired sequence.

The basic function of the COLLEGE VIEW-DECK is to assist students in locating quickly a small number of colleges possessing the characteristics they have selected as important. Once a workable group of colleges has been identified by the student, he should be encouraged to evaluate, by all means possible, the intangible factors that can not be incorporated into a system such as this.

In some instances, the College view-DECK will reveal to students that their college characteristics choices are not realistic—that no colleges exist that match the characteristics chosen by the student.

When this occurs the student operation independently can, by manipulation of the various criteria cards, arrive at a realistic pattern of college characteristics.

Drop-Outs Face Empty Future

Even though dropouts have become a nation-wide problem, many teenagers still do not realize that education is the prime source by which they will live in the future. A drop-out can cite many reasons for quitting school; the teachers were against him, the classes were dull and time-consuming, and his inability to learn caused a feeling of inferiority.

But the drop-out soon learns that he has less than 50 - 50 chance to succeed and that there are no "pennies from heaven" when the world fixes itself around the one who has the ability and the credentials.

Today the jobs that built America on the old frontier, jobs ordinarily associated with muscle and stamina, are now replaced by the jobs we associate with education and training. The unskilled worker

is expected to continue his decline in the job picture while the skilled worker or white collar worker will become more important. The good jobs today require much more educational background, much more skill from the very outset. Those who lack the necessary education and training tend to be condemned to the economic underworld — to low pay service industries, to subpar factories, to sweeping and janitorial duties or to the ranks of the unemployed.

Judging from available information from the U. S. Dept. of Labor, relating to age and education, this early difference in earning capacity tends to become greater as the years out of school increases. Rough estimates of average life time earnings for men at age 25 show an expected total future income of about \$155,000 for high school graduates and \$110,000 for those who have completed only the 8th grade.

There will be many individual exceptions to this pattern, but in general boys who have graduated from high school have a better financial prospect than drop-outs.

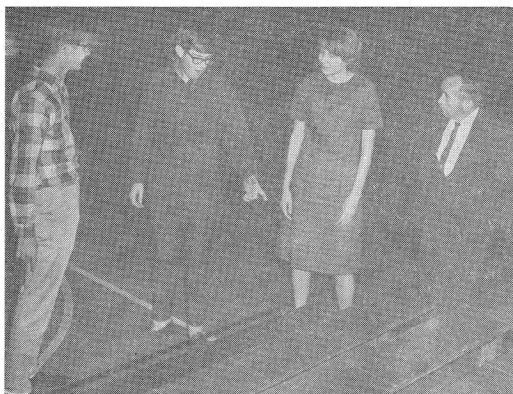

Trick Or Treat Two Days Limit

For all of you who enjoy carrying your little sack from door to door on Halloween dressed like skeletons and goblins, be careful this year what day you go begging. The town board has made a ruling that all trick-or-treating will be done on Saturday and Sunday nights, October 30 - 31.

Corydon Grad Wins Scholarship

Shirley Dodds, a 1964 graduate of CCHS, has been awarded a National Methodist Scholarship at Evansville College. The scholarship was given her by the Board of Education of the Methodist Church.

Shirley, a sophomore at the college, plans to major in elementary

Donna Fravel Heads FHA

The Future Homemakers of America's money making projects this year will be parties, sock hops, bake sales, and the sale of Christmas cards.

Donna Fravel will head the club and will have the following officers serving with her: vice president, Debbie Carter; secretary, Carolyn Lang; treasurer, Sandy Shewmaker; reporter, Donna Kintner; historians, Janet Conrad and Barbara Lang; and recreation leader, Paula McCarty.

The F.H.A. invites all who have had at least 1 year of home ec. to become a member of the Club. Dues are \$1.25, part of the dues to be used to finance the Halloween Initiation Party.

Visits Washington - U. N.

Donna Sue Fravel, a senior, is the winner of a trip to the Methodist United Nations and Washington, D.C. Seminar. The trip is sponsored by the Indiana Methodist Conference for Youth Fellowship.

Donna and 35 other Methodists will board a train for Washington on October 16. The group will study the role of religion in government the first two days of the seminar. They will then tour points of interest in Washington.

Their primary interest in New York is the United Nations. They will also tour other places of interest in New York before they return home on October 23.

Mike Shireman To Preside Over Student Council

This year the Student Council, sponsored by Mr. Norman, has selected Mike Shireman as president. The Student Council consists of a member from each home room, and the senior class officers. This makes the group eighteen strong. All decisions pertaining to the students of CCHS will be put before the Council. The members will bring a report of each discussion to their home room to keep the students well informed of what is happening.

If students have something of overall concern that needs to be discussed they should tell their home room representative, and he will bring the subject before the Council. The Student Council is your voice in the school, so take advantage of it.

Other officers are Virginia Crosier, vice-president, and Bill Kirkham, secretary - treasurer. The members and their alternates are as follows:

- Freshmen:**
 105 - Doug Bates; alternate - Bonita Brockman
 202 - Janice Gettelfinger; alternate - Mary Fisher

FNA Sponsors Leukemia Drive

The Leukemia Drive scheduled for October 23 will be one of the early projects of the Future Nurses Club. The girls volunteered their help in the traffic blocks that will be set up at the main intersection of the downtown area on that date. Later in the week of October 25 they will go house-to-house collecting contributions.

A trip to Norton's Infirmary, October 30, will be the next project of the Club.

A new charter will be written by the officers. Both the Charter and the Constitution were accidentally destroyed when the chemistry room was cleaned and repainted during the summer vacation.

Club pins and charms will be ordered by the Future Nurses in the near future. Girls will please give their order to Claudia Schuppert, treasurer. Other officers of the Club are Kathi Monahan, president; Carol Miller, vice president; Barbara Lang, secretary; Diane Richert, corresponding secretary; and Kathy Wilson, reporter. Mrs. Kirkham is the sponsor.

Anyone interested in the field of nursing is invited to join the Club. Dues for the year are one dollar.

FFA Boys Sponsor Basketball Party

The F.F.A. boys had their first basketball party Thursday, October 14. There were thirty-seven active members and six guests present. The boys chose teams and played basketball at the six different courts. Refreshments were served for the boys who had paid. The parties to come will be financed by the Chapter from the Pest Killing Contest.

The Greenhands, new members of the club, were the cleanup-committee while others returned to their games.

Dennis Stepro Elected Head Of Math Club

Dennis Stepro was installed as president of the Math Club at the first regular meeting, September 28. Helen Leffler was elected vice president and Elizabeth Ward, secretary - treasurer and reporter.

The purpose of the club is to give interested students a look at facets of math which are not explored in regular classes.

"Careers in Engineering" a film sponsored by General Electric Company was shown at the second meeting. It dealt with the four principal types of engineering: electrical, mechanical, chemical, and civil. Math is a basic necessity in each of these fields.

Helen Leffler, Dennis Stepro and Elizabeth Ward will give reports on some phase of math at the October 26 meeting.

The Math Club has a membership of fifteen students. All qualified students are invited to join. Students must have successfully completed the first year of algebra.

FTA Hear Talks On Colleges

Miss Nolen, Mrs. Fluhr and Mr. Fluhr spoke to the Future Teachers on the advantages of colleges of different sizes. Miss Nolen, a graduate of Evansville College, spoke on life and work in the small college; Mrs. Fluhr, a Ball State grad, told about the medium size college; and Mr. Fluhr told of the advantages of Indiana University, the large college. After the three colleges were introduced, the members were divided into groups and each student attended the group representing his college choice. Topics discussed were social life, available work, the cost per year, subjects offered, professors, cadet teaching in college, dress and transportation on campus, meals and the regular life of a college student. A question and answer period followed the discussion.

Cadet Teachers Learn Duties Of Profession

Seven seniors are serving as exploratory teachers this year. The purpose of exploratory teaching is to give the student teachers the opportunity to sit on the other side of the desk and learn the duties of the teacher. The student teachers go into the individual classes and assist the teacher. Many times the class will be turned over to the exploratory teacher, but generally his duties are grading papers and tests, and mimeographing papers.

The exploratory teachers are Martha Yates, Linda Kirkham and Karen Gresham, at the Tri Kappa Phi Beta kindergarten; Bob Fight and Sheila Timberlake help Mr. Miles; Roger Alexander works with Mr. Frederick; Deanna Miller assists Mrs. Bruner; and Suzanne Windell and Darlene Bentley travel to the grade school. Suzanne helps Mrs. Wilma Windell with her first grade class, while Darlene's work is with Mrs. Jennings' second grade class. Randy Leuty and Roger Mauck help Mr. Phillips.

Sympathy

The student body and faculty of CCHS wish to express sympathy to the family of Jackie Schickles. Jackie, who has been ill for some time, passed away on October 10. He was a member of last year's Freshman class, but was unable to attend this year.

Sesquicentennial Plans Subject of Y-Teen Program

Harrison County's part in the Indiana's 1966 Sesquicentennial Program was discussed at the Y-Teen meeting October 18, by Mrs. Jones who is the secretary of the Harrison Executive Committee.

Special attention was called to the various projects which will take place from April 19 throughout the remainder of the year.

The local committee hopes that many of the high school students will give of their time and talents to make Harrison County's celebration the best in the State.

Beginning April 19, it is hoped the Sesquicentennial Stamp will go on sale at the Corydon Post Office. Many state and national dignitaries will be present. A luncheon will precede the "Kick-Off Dinner" for the State Sesquicentennial Celebration to be held that evening in Indianapolis. In May and October scenic tours will be conducted throughout the county.

The last week end in June and the first week end in July the pageant will be presented at the Fair Grounds.

Mr. Saulman will be chairman of the committee to direct all the stage construction, lighting, sound system, etc. Mr. Saulman is well qualified for this work as he has helped direct this type of work on the Stephen Foster play produced for several years at Bardstown, Kentucky.

August 19, will be held in connection with the "100 Mile Ride" sponsored by the Saddle Club. Over 1,000 horses are expected for the parade. The Antique Car Club will be invited to take part as well as floats to be invited from all over the State.

Costumes of the 1816-25 period will be shown in the near future, and Mrs. Jones expressed the desire of the committee that the girls get interested in the project and soon begin making authentic costumes to wear during the celebration.

Then at the October 4 meeting, the following officers were elected: Betty Kennison, song leader; Mona Rothrock, photographer; Rita Crone, reporter; and Diana Emily, devotional leader.

Schneider - Norman Visit CCHS Grads At Evansville

Mr. Schneider and Mr. Norman joined thirty other superintendents and guidance personnel in this area on a trip to Evansville College, October 5. The group went on a chartered Greyhound bus, the

Gibson Heads FBLA, Year's Plans Made

Diana Gibson will head the Future Business Leaders of America this year. Other officers elected are as follows: vice president, Becky Faith; secretary, Sheila Timberlake; treasurer, Darlene Bentley; reporter, Alma Engleman; historian, Teresa Norman; senior representative, Claudia Pate; and junior representative, Anita Fisher.

The executive council at a special meeting made plans for this year's club program. Among other activities, the group will hear many interesting speakers; the seniors (who have been in the club for two years) will give talks about some phase of business; a Christmas party is planned, a night meeting with the Business and Professional Women of Corydon, a picnic, and possibly a demonstration of various hair styles are other highlights of the year.

Presently, club members are busy typing address labels for the Harrison County TB Christmas seals.

To finance their trip to the State Convention, which will be held in March of next year, the club members will sell Thanksgiving and Christmas napkins, and bookmarks in the shape of mittens. The Check Room at home basketball games will also be operated by FBLA.

Corydon representatives joining the group at North Central High School.

Mr. Thornton Patberg, Director of Admissions, served as guide for the educators and showed them the rapidly expanding facilities of the campus. He also informed them of the changing curriculum.

Graduates of CCHS who are now enrolled in Evansville College met with Mr. Schneider and Mr. Norman.

These included Seniors Carolyn Bentley, John Love, Larry Hauswald.

Four seniors who are enrolled either under the co-op plan or are night students this quarter were not able to meet with the group. They are Darrell Ash, William Blair, Joe Brown and Wayne Goodman.

Junior, Larry Miller. Sophomores, Clara Curts, Carol Cunningham, Nita Burgette, Shirley Dodds, and Darrell Hauswald. Freshmen, Russell Bentley, Larry Enlow, Reaugh Kopp, Cynthia Forsythe, Barbara Hoback, Joe Miles, Jr., Linda Cavins, Janice Mauck, and Janet Conrad.

The group were guests of the college for lunch and then the bus stopped at Grandview, Indiana, on the way home and a delicious dinner was served.

FLIES MEET DEATH AT HANDS OF HAMMER

POW! Down goes another dirty little fly. What is this mighty force that is killing all of these poor little creatures. As you might have already guessed, (from the picture), it is the notorious "Wol-in's Hammer". Mrs. Wolin, who this year is teaching physics, chemistry, and physical science, has a rather unique way of disposing of flies. Instead of using a flyswatter or a fly spray like most people, our Mrs. Wolin is bound

and determined that a large mallet is the best exterminator. She is never caught without her mallet in her eternal war against these flying fiends. Although she sometimes eliminates two with one blow Mrs. Wolin's mallet is not too effective in ridding the room of flies. However, this method never fails to gain the attention of someone in the back of the room, whose mind may have been wandering to subjects other than science.

Panthers Stung By Bluejackets

The Mitchell Bluejackets by using an air attack were able to down the Corydon Panthers 40 - 7 at Mitchell. Using this kind of air offense made it hard for Corydon's defense to stop Mitchell from scoring. Mitchell completed 11 out of 21 passes for the game, which is hard for any defense to stop.

For Corydon, Bill Baelz was one bright spot as he sprinted 64 yards for Corydon's only touchdown. During the game Baelz carried the ball 17 times and gained 74 yards for the Panthers. Mattingly carried the ball 5 times and had a gain of 7 yards.

Mitchell had a total gain of 218 yards while the Panthers were only 92 yards to the good.

Mitchell drew the first blood by scoring in the first quarter, and at half time the score was 7 - 0 Mitchell.

At the start of the third quarter, Mitchell started using the air attack and scored 14 points in the third quarter and 19 in the last. Corydon scored in the last quarter to inch the game 40 - 7.

7-7 TIE RAISES PANTHER HOPES

After a three game losing streak the Corydon Panthers tied with the Brownstown Braves 7 - 7.

Rick McNeely of Brownstown carried the ball sixteen times and gained 101 yards for the Braves. Along with his fine running McNeely also made the only touchdown in the game during the first quarter.

Corydon's much improved offense behind the running of Bill Baelz, Joe Mattingly and John Kirkham, gained 210 yards for the game. Miles gained 76 yards and scored Corydon's only touchdown in the third quarter. Baelz, who was moved from a tackle to a halfback gained 54 yards. Mattingly carried the ball 19 times and gained 68 yards. Kirkham had a gain of 20 yards.

HUNTERS DOWN PANTHERS 34-0

The Highly ranked Huntingburg Hunters downed the Panthers 34 - 0. Bob Rehl, the number one scorer in the state, made two touchdowns and gained 149 yards for the game. Quarterback Larry Schneider tossed his 17th and 18th TD passes and also intercepted three Corydon aeriels.

The Panthers attempted 30 pass-

West Washington Edges Panthers

After playing superior ball for three quarters, the Panthers fell to West Washington 7 - 0.

In the first three quarters the Panthers gained 106 yards while holding West Washington to 86 yards. West Washington finally scored in the final two minutes and fifty seconds of the game to lead 7 - 0. McNeely was the whole game for West Washington as he made the only T.D. and gained 101 yards for the Senators.

This was the first game where the Panthers were able to use a passing offense which helped them gain the 128 yards for the game. Corydon came close to scoring in the second quarter as Mike Miles had a run of 31 yards, but was nullified by a clipping penalty and that put the ball back on West Washington's 45 yard line.

On offense Miles carried the ball 8 times for 35 yards, Mattingly 20 times for 55 yards, Kirkham 6 times for 17 yards and Smith carried it once for a 1 yard gain.

Coach Miles had praise for the following boys: Bill Baelz, Roger Mauck, Joe Mattingly and Mike Miles.

es but found the mark on only seven. When the game ended the Panthers were on the 1 yard line but ran out of downs. Tom Butt did an outstanding job with his running and his punting.

Madison Blanks Corydon Gridders

The Panthers were handed their fifth defeat in six games by the Madison Cubs by a score of 14 - 0.

In the first half the Panthers controlled the ball for only seven plays. Madison however, scored in the second quarter, on a 3 yard run by Dennis Getz and George Dyer kicked the extra point. With 3 seconds left in the half, Jack Lauderbaugh ran 19 yards for a touchdown. Again Dyer kicked the extra point.

In the second half the Panthers played a much better game as they gained 73 yards on 22 plays. Madison however, in the second half was held to only 19 yards in 16 plays. As the game ended the Panthers were on the one yard line.

Madison's big man was Dennie Getz as he carried the ball 17 times for 19 yards.

For the Panthers Baelz gained 55 yards in 12 carried. Tom Butt caught two passes for a total of 23 yards. The last half saw the Panther defense hold Madison to 19 yards and several losses due to Nick "Spider" Kintner.
